

We're looking for passionate Program Associates for the upcoming year!

As a Program Associate (PA), you'll be an integral part of both the Campus Life team and the academic department. The Campus Life (CL) team handles the daily operations of the campus and community development programs. In the academic department, you'll collaborate on program development and planning. You'll work under the guidance of our CL Director, and the CL Coordinator.

Your Responsibilities:

- **Campus Operations:** Assist with day-to-day student care, campus maintenance, and coordinating social and campus life activities.
- **Program Development:** Help identify and address the needs and goals of the program, students, and institute, creating impactful, growth-oriented, and environmentally sustainable initiatives.
- **Mentorship:** Guide and support students individually and as a group throughout the program and help them navigate day-to-day on campus.
- **Community Engagement:** Lead and organize community activities, parties, and trips.
- **Dialogue Forum:** Support the dialogue team in implementing the Dialogue Forum.
- **Administrative Support:** Assist with administrative tasks, hosting guests, and other duties as needed.

What We're Looking For:

- **Passion:** A strong belief in the ideology and goals of the Arava Institute.
- **Leadership and Strong Communication skills:** Comfortable leading groups and connecting with diverse individuals.

- **Organization:** Excellent organizational and communication skills.
- **Team Player:** Responsible, motivated, and energetic with a good sense of humor.
- **Flexibility:** Non-conventional hours of presence on campus during nights, weekends, and holidays are required.
- **Language Skills:** High level of English (Hebrew and/or Arabic are a plus).
- **Driver's License:** Preferred
